"HUMANITY IS LOST BECAUSE
PEOPLE HAVE ABANDONED USING
THEIR CONSCIENCE AS THEIR
COMPASS."

. SUZY KASSEM .

ILOVEHUMANITY

"I am a survivor of a concentration camp. My eyes saw what no person should witness: gas chambers built by learned engineers. Children poisoned by educated physicians. Infants killed by trained nurses. Women and babies shot by high school and college graduates. So, I am suspicious of education.

My request is: Help your children become human. Your efforts must never produce learned monsters or skilled psychopaths. Reading, writing, and arithmetic are important only if they serve to make our children more human."

Dr. Haim Ginott,
child psychologist and Holocaust survivor
